Dear Parents

The selection of the school that has the right fit for your son can be challenging.

The purpose of this letter is to assure you that the choice will remain yours. In an effort to improve the process of enrolment into Year 5, I would like to inform you that the Catholic Boys Schools listed below will be altering their enrolment procedures so that offers of places at their Colleges will be sent out during the last week of Term 3. That is, for Year 5 2018, offers will go out in the last week of Term 3, 2016 – with responses due back by first Friday of Term 4.

We hope this will make the process easier for parents and not create stress for families where they feel the need to enrol their son in more than one College.

Yours sincerely
